## Very Short Introductions Series: A Bibliography

**Oxford University Press (Very Short Introductions: Oxford's Very Short Introductions offers concise and original introductions to a wide range of subjects from Islam to Sociology, Politics to Classics, and Literary Theory to History. Each volume provides trenchant and provocative yet always balanced and complete discussions of the central issues in a given topic. Every Very Short Introduction gives a readable evolution of the subject in question, demonstrating how it has developed and influenced society.**

**Whatever the area of study, whatever the topic that fascinates the reader, the series has a handy and affordable guide that will likely prove indispensable.**
