---

Right to Information Act 2005 plays a vital role for setting out the practical regime of right to information for citizens to secure access to information under the control of public authorities, in order to promote transparency and accountability in the working of every public authority.

The workshop aims to cover the outline idea of the RTI Act with its intricacies and guidelines about the role of designated Assistant Public Information Officer, Public Information Officer and Appellate Authority and other functionaries involved to deal with the RTI related matters.
