

Applications are invited for the post of **Junior Research Fellow (JRF)** for the project titled “**Nanostructured conducting metal oxides for the electro-reduction of CO<sub>2</sub> to make useful products**”.

The position is temporary for 6 months initially, but can be extended further depending on satisfactory performance and requirements.

The qualification and experience requirements for the above mentioned position are as follows:

**Essential Qualification:** M.Sc or M.S. (Material Chemistry / Physical chemistry/inorganic chemistry) from recognized university with at least 60% marks.

Job requirement/Profile:

- This project is based on electro-reduction therefore, basic knowledge in electrochemistry is essential. Candidates with research experience in electrochemistry will be preferred.

**Salary Range:** Rs. 25,000 INR per month (CONSOLIDATED). This salary is as per the rules of Ministry of Science and Technology for which candidate must have cleared UGC- NET examination.

Interested candidates may apply **by 30<sup>th</sup> April, 2017** giving complete information regarding educational qualifications, work experience along with two references at the email address mentioned below.

Institute reserves the right to fix suitable criteria for short listing of eligible candidates satisfying qualifications and experience. Only shortlisted candidates will be selected for the interview. Interviews will be carried out on Skype/telephone only.

**Applications should be sent by email only to:**
