

GIVING to IITGN

Thinking beyond traditional boundaries,
experimenting with various facets of education
and research, and fostering a culture of
free inquiry and innovation, and excellence:
IITGN partners share our dream and vision
of excellence. We invite you to join us on this
journey

Signature Programs

IIT Gandhinagar is driven by a zeal to nurture and advance our students' unique capabilities, with several programs that channel and develop their talents. The **Foundation Programme**, where freshman students prove themselves to be great thinkers and highly adaptive problem solvers in all avenues of life, introduces them to a range of hands-on activities, interactions with eminent personalities, and various opportunities to express themselves.

The **Maker Bhavan** and **Invention Factory** are novel pedagogical initiatives that excite and encourage student creativity and participation, while fostering highly beneficial interdisciplinary interactions and promoting innovation. The **Leadership Development Initiative** promotes transformative leadership skills among IITGN students through a series of sustained and progressive learning experiences. **ART at IITGN** is an initiative that facilitates liberal and inclusive artistic expressions and values.

Centres of Excellence

The IIT Gandhinagar Centres promote interdisciplinary research and make state-of-the-art technology accessible to industry and academia.

- ❖ **Dr Kiran C Patel Centre for Sustainable Development (KPCSD)** undertakes cutting-edge research on sustainability and related challenges of high societal importance.
- ❖ **Centre for Safety Engineering** throws light on and advances a safe built environment in both the public and private spheres of urbanised development.
- ❖ **Design & Innovation Centre** fosters a multidisciplinary approach to promote research and educational initiatives in design and innovation.
- ❖ **Centre for Cognitive and Brain Sciences**, through highly innovative research programs, allows the exploration of questions concerning the mind, brain, and cognition.
- ❖ **Centre for Biomedical Engineering** undertakes advanced research in Diagnostic/Therapeutic Tools, Automated Rehabilitation and Prosthetics, and Public Health.
- ❖ **Centre for Creative Learning** radically reinvigorates the scientific temper and inherent creativity in school students and teachers.
- ❖ **Archaeological Sciences Centre** conducts research in varied disciplines from materials science to petrology, archaeometallurgy, and more.

Globalisation

IITGN's flourishing student- and faculty-exchange programs across all continents proliferates a globalised community on campus. Vibrant industry-academic associate programmes and seminars by visiting faculty and guest scholars contribute to the diversity of the curriculum.

- ✧ **10-15%** visiting faculty from premier institutes around the world.
- ✧ **40%** of UG students receive global experience.
- ✧ **36%** of PhD graduates spend semester abroad across all continents and in top-class institutes, such as Harvard Medical School, MIT, ETH Zurich, NYU, and so on.
- ✧ **90%** of PhD graduates received overseas experiences.

World-Class Infrastructure

The state-of-the-art infrastructure on campus is designed to inspire excellence and eminence. The **Jasubhai Memorial Auditorium** is a sustainably-designed 580-seater auditorium on campus, complemented by the amphitheatre **Rangmanch** with a 2000 person-seating capacity. The advanced facilities of the **Sports Complex** were home to athletes during the 36th National Games. The **Institute Guest House** is an 85-room facility, including 15 long-stay rooms, with several additional facilities including a conference hall, executive meeting rooms, etc.

Partner with IIT Gandhinagar

Every contribution, small or large, aids our endeavour to pursue excellence. Join us on our journey to becoming a world-class institution.

UNRESTRICTED GIVING:

Unrestricted gifts support innovations in our academic programs and enable us to seize emerging opportunities, seed new research, and support or reward exceptional performance.

TARGETED GIVING:

You can also target your giving to specific institutional initiatives, such as:

- ✧ Endowed faculty chairs or research fellowships to recruit and retain the world's leading faculty members.
- ✧ Excellence awards to reward exceptional performance by faculty and staff.
- ✧ Travel support for students and faculty to participate in conferences or conduct research.
- ✧ Pioneer PhD scholars programme to support doctoral students.
- ✧ Overseas research experience fund for PhD students and young faculty.
- ✧ Merit scholarships for undergraduate students.

SPECIAL GIFTS AND NAMING OPPORTUNITIES:

We also welcome special gifts for naming of infrastructure and supporting targeted focus areas, which often serve to jumpstart new programs and initiatives at the college. Contact: dean.advancement@iitgn.ac.in.
