

# FACULTY RECRUITMENT

IIT Gandhinagar (IITGN) invites applications for faculty positions in all disciplines across Engineering, Humanities and Social Sciences, and Natural Sciences. Scholars whose work is interdisciplinary are especially encouraged to apply. IITGN is looking for applicants with a passion for teaching and demonstrated excellence in research. Successful candidates will be expected to teach undergraduate and postgraduate courses, conduct independent research in their fields of expertise and contribute to Institute service.

IIT Gandhinagar has embarked on an ambitious journey to become the best educational institute in India and among the best in the world. The institute promotes critical thinking and encourages innovations. We have experimented with numerous ideas in curriculum, student affairs, faculty recruitment, and faculty management. Interdisciplinarity and diversity are our DNA. Our faculty members have graduated from world's leading institutes and 80% have overseas degrees or post doc experience. We are currently home to 6 Ramanujan Fellows, 9 INSPIRE Fellows, and 2 Ramalingaswami Fellows.

The institute currently hosts the following disciplines:

## ENGINEERING

Biological Engineering, Chemical Engineering, Civil Engineering, Computer Science and Engineering, Electrical Engineering, Mechanical Engineering, and Material Science and Engineering

## NATURAL SCIENCES

Mathematics, Physics, Chemistry, and Earth Sciences

## HUMANITIES AND SOCIAL SCIENCES

# BENEFITS

## UNPARALLELED RESEARCH SUPPORT

- Attractive start-up grants (with no upper limit restrictions)
- Separate budget for procuring high-end research infrastructure
- Faculty excellence awards for exceptional research, teaching, outreach, and institute service
- Schemes to attract top-quality PhD students (higher scholarship and early offers)
- Generous travel support for faculty and students
- Institute funded postdoctoral fellows for research productive faculty
- Liberal international conference support for PhD students
- Fully-funded opportunities for PhD students to spend a semester in an overseas university for research

## DIVERSITY AND INTERDISCIPLINARITY

- World class faculty from renowned institutes such as MIT, CMU, Cornell, UIUC, etc
- Faculty from 18 states in India
- 20% women faculty members
- Opportunity for multi disciplinary appointments
- Can teach and guide students in any discipline

*"I feel very fortunate to be a part of IIT Gandhinagar. It is a humbling experience to share the workplace with great minds who are all working together with a mission to create for the students an educational environment that is unparalleled. I feel extremely grateful to be a part of an institute that truly values social conscience and is creating newer paradigms in education while contributing to society."*

Dr. Kabeer Jasuja  
PhD (Kansas State University)  
Assistant Professor, Chemical Engineering

## INNOVATIVE CURRICULUM

- Award-winning curriculum
- Project-based learning, creativity and entrepreneurship encouraged
- Emphasis on design, humanities, and life sciences promote out-of-the-box and non-linear thinking
- 40% of UG and 77% of PhD students receive international exposure

## CAMPUS AND LOCATION

- Modern, world-class, riverfront campus
- Spacious on-campus housing for faculty
- On-site daycare center
- Green campus with clean air
- Excellent connectivity via air, road and rail. The Institute is about 30 minutes from the Ahmedabad international airport
- Located near Ahmedabad, one of India's safest cities and the only UNESCO designated world heritage city in India
- Close proximity of one of India's leading industrial hubs and prestigious educational institutes, including Physical Research Laboratory, IIM Ahmedabad, National Institute of Design, ISRO Space Applications Centre, etc.

## DEADLINE

Rolling recruitment. Applications are accepted throughout the year.
