HIGHLIGHTS

Financial support of up to ₹2 lakh (PhD students) and ₹60,000 (MTech students) is available for full time students for presenting their research work at international conferences.

A support of up to US \$12,500 may be considered for full time PhD students for doing research work at the best Universities/Labs abroad for a period of 4 to 6 months.

PhD candidates who have obtained at least one of their previous degrees from a premier institution like IIT, IISc etc. can be considered for an additional fellowship of ₹10,000 per month.

An additional fellowship of ₹5,000 per month may be provided to PhD candidates ranking within the top 5% of any relevant national level qualifying examination. A candidate can receive only one of the above mentioned additional fellowships.
