While the library at IIT Gandhinagar makes every effort to build the core collection, both in print and digital form in the areas of interest to the institute,

it would be highly impossible to add every item published or of interest to our user community. In any case, no library can be self-sufficient / own every resource. Therefore, to meet the needs of our users and fill the gap in our collection, library is offering Inter Library Loan.

What is Inter Library Loan?

Inter Library Loan enables you to obtain book (s) and other reading materials which are not available in our library collection, from other libraries with whom library can usually arrange to borrow for your academic use. That would be obtained on loan for a specific period. The loan period may be stipulated by the lending library. Documents received under the ILL services will have to be returned before the due date.

Who can use the services?

All faculty, researchers, students and staff who are associated with IIT Gandhinagar are eligible to avail this service.

What you can request?

User may request book (s) and other document (s) which are not available in our collection. Library will arrange to borrow from other libraries on Loan. The lending library reserves the right to lend and or not to lend.
