

IITGn's open house for JEE students

Ahmedabad: The Indian Institute of Technology Gandhinagar (IITGn) will organise 'JEE Open House' on Saturday for students who have cleared Joint Entrance Examination (JEE) Advanced. Interested students can register online at the institute's webpage for free. This event will act as a platform to address general questions regarding career choices and showcase various facets of IITGn including academic programmes, campus infrastructure, innovations in the undergraduate curriculum, and career opportunities among others.
