

Research centre opens at IITGn

A centre of research on water and sanitation was inaugurated on Tuesday at the Indian Institute of Technology, Gandhinagar. A maternal and child healthcare research centre was inaugurated at the Indian Institute of Public Health, Gandhinagar. These centres are supported by Wheels Global Foundation based in the US and its primary India base, Wheels India Niswarth Foundation. They were inaugurated by Professor Samir Barua, who was a former director of the Indian Institute of Management, Ahmedabad (IIM-A).
