

# IIT GANDHINAGAR RESEARCH PARK

- A unique physical space that enables global impact
- Fosters a powerful and dynamic interplay between industry and IIT Gandhinagar
- Accelerates regional and global competitiveness
- Lowers barriers for collaboration between industry and academia
- Managed by “IIT Gandhinagar Research Park”, a separate Section 8 Company

## The IIT Gandhinagar Advantage

- Young and dynamic institute
- Located in Gandhinagar, capital of Gujarat state
- 400 acre campus under phased development on banks of River Sabarmati
- More than 100 faculty, 300 PhDs
- Incubation center and technology startups on campus
- Less than 30 KM from the International Airport and commercial hubs
- Co-located with GIFT City and Infocity in Gandhinagar

## Current Operations

- More than 25,000 sq ft built up area
- Modular office spaces upto 1000 sq ft per company
- Ample meeting places, board room, auditorium, dining space and space for social activities
- Opportunities for research collaboration with young faculty from IITGN
- Part of vibrant community

## Future Plans

- More than 100,000 sq ft built up office space planned within IIT Gandhinagar campus
- Modular building to suit different space requirements
- Resource centers and common infrastructure facilities
